

# Armow Wind Project

## Community Liaison Committee Meeting #4

### About the Project

The Armow Wind Project is an approximately 180 megawatt commercial wind energy generation facility located in the Municipality of Kincardine, Bruce County, Ontario. The Armow Wind Project is expected to generate enough clean energy to power 55,000 homes. This Project is being developed by SP Armow Wind Ontario LP by its general partner SP Armow Wind Ontario GP Inc. (Armow Wind), which obtained approval from the Ministry of the Environment and Climate Change (MOECC) in October 2013 to build a Class 4 Wind facility.

### Establishment of a Community Liaison Committee

Armow Wind has established a Community Liaison Committee (CLC) to act as an advisory body and to discuss the important aspects of construction, installation, use, operation, maintenance and retirement of the Armow Wind Project. While this committee is a requirement of Armow Wind's Renewable Energy Approval (REA), it is also an important part of a continued commitment to communicate and provide a forum to share ideas, express concerns and provide the community with ongoing updates about the Project. The Committee consists of eight (8) community members with membership being drawn from a cross-section of the local community in order to provide a broad and balanced perspective.

While this committee is a requirement of Armow Wind's Renewable Energy Approval (REA), it is also an important part of a continued commitment to communicate and provide a forum to share ideas, express concerns and provide the community with ongoing updates about the Project. The Committee consists of eight (8) community members with membership being drawn from a cross-section of the local community in order to provide a broad and balanced perspective.

#### **CLC Meeting #4 - Agenda**

- Welcome and Update from CLC Members
- Review of Action Items from CLC Meeting #3
- Status Update for the Armow Wind Project
- Overview of Operations for Armow Wind Project
- Public Delegations (If Received)
- CLC Wrap Up and Discussion

To learn more about the Armow Wind Project visit the project website at:

#### **Community Liaison Committee Meeting #4**

The upcoming fourth CLC meeting is planned for October 1, 2015 and, as always, is open to the public. Requests for delegations are welcome and must be made in writing prior to each meeting to the Committee facilitator.

All meeting materials (e.g., agendas, minutes) will be available for review online on the project website ([www.armowwind.com](http://www.armowwind.com)). Committee members will also be encouraged to share any information and the results of all CLC discussions with other interested community members. Details for the fourth CLC meeting are provided below:

**Date:** October 1, 2015

**Time:** 6:00 p.m. to 8:00 p.m.

**Location:** Best Western Governor's Inn  
791 Durham Street  
Kincardine, ON
